PETITIONING THE COURT

To incorporate the violation contained in this petition in future proceedings with the violations previously reported to the Court on 04/06/2020, and 10/22/2020.

The probation officer believes that the offender has violated the following condition of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

7

Standard Condition # 1: The defendant shall not commit another federal, state or local crime.

Supporting Evidence: The offender is considered to be in violation of his period of supervised release by committing the offense of two counts of violation of a no contact court order on or prior to June 18, 2020, under Benton County District Court case number K20Y00164.

On June 12, 2019, the offender signed his judgement in a criminal case stating he understood he could not commit any criminal acts.

According to an incident/investigation report provided by the Kennewick Police Department, on August 11, 2020, officers were dispatched to a potential order violation. It was determined the offender had an active no contact order with an alleged victim in a pending assault case. The alleged victim was the reporting party. The alleged victim advised officers she had been in contact with the offender via telephone calls and text messages. Officers requested copies of the text messages and they were received at a later date.
